Discussion:

\$113.00 in VG account

Melissa and Dan Melkowski have just had their first child. We decided to give them a \$25 gift card for the baby and some Avon products to pamper Melissa.

It was decided to have a Silent Auction during the 5th Sunday Lunch. We were all asked to make a basket or come up with an idea to auction off. Gina will be presenting each item up for auction to the guests and they will have the duration of the lunch to bid.

Next Meeting – September 20th

We still need to discuss our plans for Mother’s Day Luncheon

Renee was asked to bring Avon Minerals and eye products to give mini makeovers. She may try to do something but working on other people’s faces may not happen.
